Catalyst Planning Group is a Project Services company specializing in Project, Construction and Move Management services. The Catalyst Team has worked in 35 states and 8 countries and continues to assist clients with their real estate project needs on a national and international basis. Our Team has over forty years of Project Management experience in multi- disciplined industries.

Catalyst Planning Group provides consulting solutions for companies with commercial real estate needs by providing boutique, high touch consulting services. Catalyst Planning Group acts as the point-of-coordination for the client and all internal/external partners working on a strategic real estate project. This seamless process promotes a highly efficient exchange of information resulting in the early identification and resolution of problems. Catalyst Planning Group manages the project's bottom line while achieving practical results. We streamline the process by providing the client with one touch point for all aspects of the project's progress.
